

## Researching your WA Railway Family

2pm Sunday 16 May 2021

### Researching your WA Railway Family

Researching your family history can be frustrating but fun. Railway people in your WA family tree can tell of the story of the state, whether from the government or private railways or from the Railway Workshops.

Our Research Officer, Jeff Austin, has answered many queries about tracing railway ancestors in Western Australia. His publication '*Station Masters of Western Australia*' is part of the story. Jeff will present a talk sharing his knowledge of the various available railway personnel records and how to access them.

You can also find out what a fireman or a ganger did and stand in their shoes as you wander around the museum.

Venue: Railway Museum, 136 Railway Parade Bassendean

Cost includes museum entry: Adults \$10, Concessions \$8

Bookings at <https://www.trybooking.com/BOAUC>

Enquiries: 0417 961187

Brought to you by **Rail Heritage WA**
